

NATIONAL VOICEOVER ACTOR

VANESSA JAMES

VOCAL ATTRIBUTES

A warm, conversational, sultry, intimate, voice that feels like “expensive silk,” – these are just some of the ways Vanessa’s voice has been described by clients and peers alike. Her unique, inviting vocal style has made a multitude of brands and radio stations shine for over a decade, and VJ’s ability to connect with wide-ranging audiences has propelled her to the global stage in the promo and commercial arena.

She now serves as the voice of Sesame Place theme parks, can be heard on several shows on LMN, CBS and Fox networks and most recently, VJ served as the Promo voice of The CW’s “All American Homecoming” and narrated the Barack and Michelle Obama-produced Netflix children’s series, “Ada Twist, Scientist.”
